

OUR CURRICULUM

THE PRESCHOOL
by THE INTELLIGENT GROUP

LANGUAGE

Language for Nursery supports multi-sensory, holistic learning through hands-on activities, visual aids, music, movement, and tactile experiences. This engaging approach strengthens children's listening, speaking, and understanding while building vocabulary and confidence through meaningful and enjoyable language experiences every day.

NURSERY 3-4 YEARS OLD

The curriculum encourages active participation through immersive, play-based learning across various areas. It builds familiar routines, nurtures classroom connections, and gradually introduces new concepts as children grow in confidence, curiosity, and independence.

MATHS

The math programs introduces simple concepts, using play-based activities for counting, shapes, patterns and more. It allows for practice of these skills often, encouraging exploration and adapting to each child's pace.
