

# OUR CURRICULUM

THE PRESCHOOL  
by THE INTELLIGENT GROUP

## LANGUAGE

Language for Pre-Kindergarten nurtures communication and early literacy through purposeful activities, classroom interactions, stories, songs, and conversations. Children develop vocabulary, listening, speaking, and comprehension skills while learning to express ideas, ask questions, and communicate with confidence and clarity every day.

## PRE-KINDERGARTEN 4-5 YEARS OLD

The curriculum nurtures inquiry, language, and problem-solving through purposeful play, exploration, and hands-on experiences. A supportive classroom environment encourages curiosity, creativity, and critical thinking, helping children develop confidence and independence as they discover, learn, and grow.
